HIS WIFE WOKE HIM UP.

Connecticut Man Nearly Choked to Death in Night.

No comment is needed on the following letter. It tells of fearful experiences that have fortunately been overcome:

"Dear Sirs:—Often in the night my wife had to wake me up because I was almost choking to death with catarrh. I had one of the worst cases that was ever known and skillful physicians said it was chronic.

"Fortunately a friend told me of Hyomei, and I used this treatment faithfully, and today am free from catarrh. I used Hyomei perhaps five times a day and could soon see a great change. A complete outfit and an extra bottle cured me. I always carry a Hyomei inhaler in my pocket, so as to prevent any colds or slight catarrhal attacks that are common at this time of the year. Yours fraternally,

"Thomas Fincham, Putnam, Conn."

It is the easiest thing in the world to cure catarrh or catarrhal colds if you use Hyomei. Breathe its health-giving, balsamic air for a few minutes and your catarrhal trouble will soon be cured.

The complete outfit costs but one dollar, and consists of an inhaler that can be carried in the purse or vest pocket, a medicine dropper and a bottle of Hyomei. The inhaler lasts a lifetime, while extra bottles, if needed, can be obtained for 50 cents. In Barre there are scores of well-known people who have been cured of catarrh by Hyomei. If it does not help you, Hackett & Wells will return your money in accordance with the guarantee they give with every outfit.
